LEGISLATIVE AUTHORITY

Division E of Part IX of the *Education Act* enables a district school board to pass by-laws for the imposition of education development charges against residential and/or non-residential development, if residential development in the area of jurisdiction of the board increases education land costs, and the development requires one or more of the actions set out below and described in section 257.54 of the *Education Act*:

- the passing of a zoning by-law or an amendment to a zoning by-law under Section 34 of the *Planning Act*
- the approval of a minor variance under Section 45 of the *Planning Act*
- a conveyance of land to which a by-law passed under subsection 50(7) of the *Planning Act* applies
- the approval of a plan of subdivision under Section 51 of the *Planning Act*
- a consent under Section 53 of the *Planning Act*
- the approval of a description under section 9 of the *Condominium Act, 1998*
- the issuing of a building permit under the *Building Code Act, 1992*, in relation to a building or structure

Only one education development charge is leviable for a development under the by-laws' provisions, and is payable at the time of building permit issuance, even if more than one planning approval is required.
